Coronavirus - Elstead Emergency Response

TO VOLUNTEER OR REQUEST HELP

We want to **connect volunteers with vulnerable people seeking help.**

By gaining more volunteers and knowing who needs help – we can do our best to match you together and provide the help that is needed in this time of challenge.

We are moving at pace and welcome all support.

Can you help ?

Volunteers - Are you able to help with shopping, medication collection / delivery or animal care whilst doing your once-a-day exercise? Would you be willing to offer moral support to someone in need by calling them?

If so please register at www.elsteadvillage.co.uk/volunteer/

Whilst the national support available is being put in place (including NHS GoodSams), we will work alongside existing voluntary organisations such as Help In Elstead, to ensure help is available locally, for those who need it - now. So if you are in doubt as to how best to help, please register with us as well!

Do you need some help?

Requests for Help - Do you need shopping collected, medication collected or delivered – or could you just do with a friendly voice to talk to in these challenging times?

Register online at www.elsteadvillage.co.uk/volunteer/

Call : (01252) 411 745 (attended between the hours of 10:00 and 16:00)

We don't want you to leave your home to tell us whether you wish to volunteer or need help we are trying to coordinate this all remotely

**For those not comfortable with the internet or do not have access:
maybe call a friend or a relative asking them to register you using any of the methods given above . Ask a neighbour (at a safe distance) to make known that you can volunteer or need help.**
